AU RAIC Centre for Architecture receives CCMPA support

The RAIC and Athabasca University (AU) are pleased to announce that the Canadian Concrete Masonry

Canadian Concrete Masonry
Producers Association
Region 6 of the National
Concrete Masonry
Association

Producers Association (CCMPA) is the first industry partner to offer to support the new architecture program at AU. The RAIC Centre of Architecture at AU will eventually replace the RAIC Syllabus program. The CCMPA has agreed to a long term partnership with RAIC and AU. Details are just now being worked out and it is expected that the terms of this partnership can be formally announced in the New Year!
