

WHAT IS COMING NEXT?

The world is changing, and concrete masonry needs to continue to raise our voices:

- More Research
- Louder Lobbying & Advocacy
- Aggressive Defense of Building Codes & Standards

WHAT DO WE COLLECT?

From 2007-2024, the CCMPA Levy has held at \$0.05/CMU. Effective January 1st, 2026, the CMU Levy will increase to only \$0.07/CMU, and in Quebec, it will be raised to \$0.10/CMU, to better support market demands, specifically with regards to required research, codes & standards defense, as well as advocacy and lobbying efforts.
